Corporate Video and DVD production

Immersion Imagery understands that Corporate Video and DVD production are becoming more popular as a medium of communication for businesses.

The reasons for this are simple, a corporate DVD can convey your

Message, Product, Service in a clear and succinct way while presenting it in a format that best represents your business.

Immersion Imagery specialises in the latest HD image capture techniques, and can offer a product that can incorporate:

Narration

Green screen

Graphics & Text

Effects & Animation

Authoring to DVD that can contain not only your video presentation but:

Company bio

Contact information

Catalogues

Slide show

Immersion Imagery will strive to offer a quality product to suit your market, budget and needs.

If you would like to talk to one of our team please do not hesitate to contact us.

Immersion Imagery delivered on that brief and in fact exceeded our expectations. They were reliable, flexible, and professional with a sincere artistic feel for the medium.

We would be happy to use them again and recommend them to others. - Lynelle Johnson
